

Jazz Stand Trolley

A unique and sturdy storage cart to make moving and storing the Jazz Stands simple. The Jazz Stand Trolley can hold up to 24 stands, and has been consciously designed to be able to fit through a standard single door. The clever design also ensures floor space is saved, making this trolley ideal for busy environments.

RATstands
TEMPO RANGE

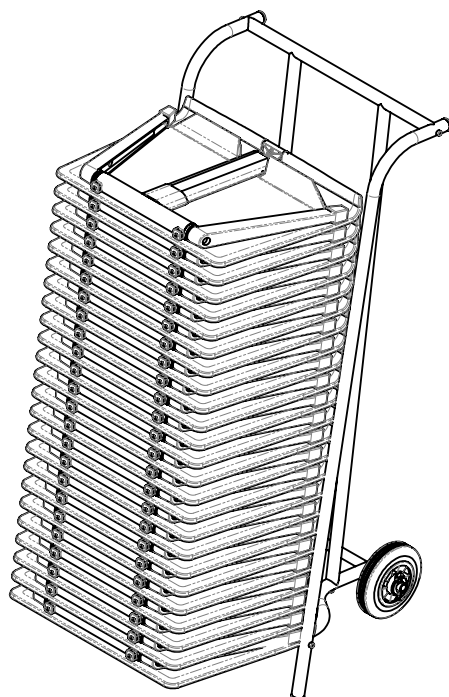

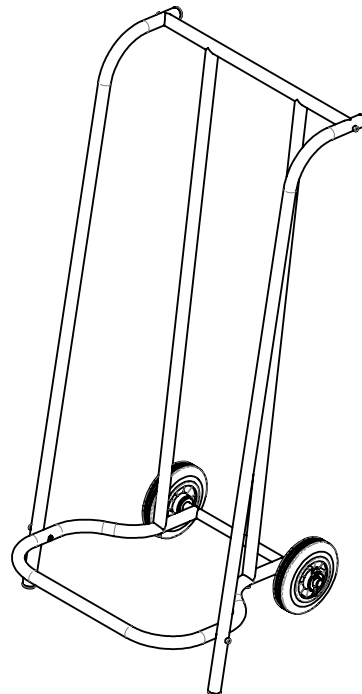

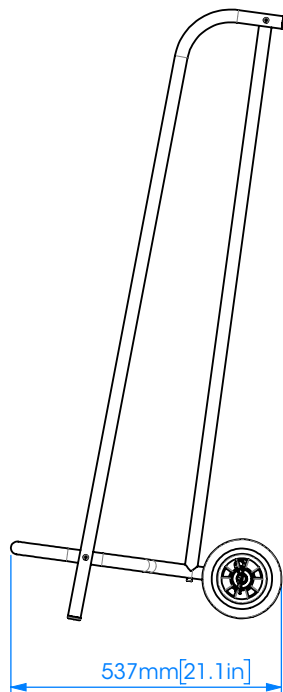

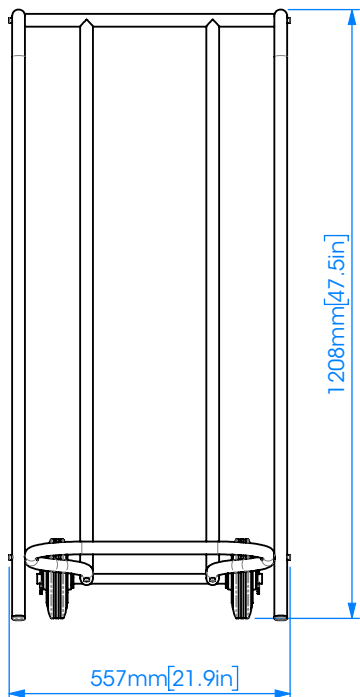

The Jazz Stand Trolley can hold up to 24 music stands, nested in a compact stack, making set ups and take downs simple. The trolley can support both the Jazz Stand (69Q13) and the Jazz Stand Pro (69Q14).

Two strong polypropylene wheels with rubber tyre, allow the stands to be moved around without damaging the floor.

The Jazz Stand Trolley is coated in a tough scratch resistant epoxy, to prevent cosmetic damage. It is strong and robust, which ensures complete protection for the Jazz Stands. The trolley is compact, allowing it to be stored easily, and making it incredibly useful in schools, universities, and theatres.
