

Piano Light Range by RATstands

DESIGNED &
MANUFACTURED
IN THE UK

Features of the Piano Light range:

- Unique design ensures perfect light direction.
- Weighted base for stability to ensure the lamp stays where it is placed.
- The base has a premium underlay to protect the Piano's surface.
- Flexible gooseneck (800mm long) allows the pianist to find their optimal position for the light.
- Battery powered option available for a wireless set up.
- Two styles available:

Apollo Light Features:

- LEDs are a warm white which is relaxing for the musician.
- On and off switch on the lamp housing.

Trio4 Light Features:

- LED colour can be adjusted from a cool to warm white to individually suit the musician.
- The light can be dimmed from a dial on the lamp housing.
- DMX compatible with other Trio4 range lights.
