

# Concert Range by RATstands

DESIGNED &  
MANUFACTURED  
IN THE UK

The elegant appearance of our Concert Range is designed for on stage performances and used in the world's top performing arts venues.

## Concert Stand Features:

- Tray crafted from beech wood sustainably sourced from the forests of Finland.
- High quality, hand finished brackets.
- Quick and easy adjustment using only friction to set the stand at the desired height and angle.
- Pro Stand has a thumb screw for height locking to hold heavier scores.
- Double lip tray features a non slip additional shelf, which provides space for storing pencils and small instruments.

## Concert Chair Features:

- Aesthetically designed, the chair is crafted from one piece of high-quality wood.
- Chairs can be stacked and stored compactly between performances and rehearsals.
- Ergonomically designed with a narrow backrest to offer enhanced comfort for musicians.
- A wide range of fabric colours are available for a custom finish.
- Height adjustment available to suit a range of playing positions.

## Custom Staining

The Concert Stands and Chairs can be custom stained to match an auditorium.
