

Jazz Stand Range by RATstands

Jazz Stand Features:

- Unlike traditional metal stands, the tray does not 'ring' when knocked due to its unique composition.
- Full size music tray with pencil shelf included.
- Quick and easy adjustment using only friction to set the stand at the desired height and angle.
- Stand can be set at an extremely low height of 43cm / 17in – ideal for sitting or standing.
- Angle of the stem can be changed by reversing the base.

Jazz Stand Pro Features:

- More than 25% taller than the Jazz Stand.
- The stand is sturdy and secure at its tallest height of 158cm / 62.2in due to the additional foot.
- Vertical stem has a great height range, ideal for use on or off a riser.
- The base is set in one position, so that the musician can be close to the music stand, to save space in a performance area.

Tablet Stand Features:

- Compatible with all tablet models.*
- Aesthetic design, unlike other tablet stands.
- Switch between using as a floor stand to a table-top stand in seconds.
- Secure, remove, and adjust the tablet in seconds with the soft closing clamp.
- Quick and easy to set up and move around.
- Includes accessory shelf and bow hooks.
